About SSSRC Logistics

Formerly known as Shree Shyam Road Carriers, SSRC Logistics is a top-tier player in the transportation industry. Founded by Mr Pawan Choudhary in Goa, we provide world-class vehicle transportation and logistics services, ensuring prompt delivery within your budget. With a focus on safety, integrity, reliability, and efficiency, SSRC Logistics offers seamless connectivity across India, allowing us to track every parcel we handle.

Our dedicated team of experienced professionals ensures that your parcels are handled with the utmost care until they reach their destination safely. We are committed to growth and continuously invest in the best people, methods, and technology to enhance our services' effectiveness.

As a premier road transport provider, SSRC Logistics is trusted by Indian businesses for reliable and cost-effective transportation solutions nationwide. Our unwavering dedication to customer satisfaction has earned us the reputation of being the most preferred transporter across India.

With a nationwide presence spanning 32 branches, SSRC Logistics is synonymous with trust, dependability, and safe passage. Experience the dynamism of India's leading transport company with SSRC Logistics. The company earned the title of "The Most Dynamic Moving Transport Company" in India in the year 2018.

Our Services

Full Truck Load (FTL) Services

Our vision at SSRC Logistics is to be the premier provider of world-class logistics services in the country, setting new standards for excellence and innovation in supply chain management.

Cold Chain Logistics

SSRC Logistics offers comprehensive cold chain solutions, specialising in temperature-controlled shipping for perishable goods. Our focus on quality and efficiency ensures timely delivery while maintaining the integrity of your products, making us the preferred choice for chilled transportation at competitive rates.

Multimodal Logistics

We seamlessly integrate road, sea, and air transportation modes to offer costeffective solutions, ensuring the safe movement of large volumes across India.

Rail Freight Forwarding

Benefit from our expertise in conventional and containerised rail transport, enabling easier movement of bulk cargo while ensuring cost-effectiveness through incentive schemes. At SSRC Logistics we hire special trains as per customer requirements.

Bulk Cargo Specialization

We excel in transporting raw materials, semi-finished, and finished goods via road and rail, catering to various industries with legendary expertise.

ODC Trailer Services

Avail our top-notch trailer services, including Hydraulic, Low Bed, semi-low bed and Flatbed Trailers, at competitive rates.

Air Freight Services

Experience reliable and cost-effective air transportation services tailored to your needs at an affordable and costeffective price tailored to your needs.

Milk Run Services

We provide Milk Run services to many renowned companies. We pick up the units from their local vendors and supply them to their manufacturing plants as per their daily requirements. We have vehicles with 3 side openings with a dimension of loading tray of 20ft long, width 8ft and height 8.5ft for easy loading and unloading by forklift which makes the material handling easy and safe.

Warehousing Services

With over 10 strategically located warehouse facilities across India, SSRC Logistics delivers exceptional warehousing solutions, ensuring the safety and accessibility of your goods.

Advanced AI- Camera Integration

At **SSRC Logistics**, safety and efficiency are our top priorities, which is why we have equipped our fleet with advanced AI**powered cameras** from Shoora Technologies. These cutting-edge Driver Assistance Systems, including Lane Departure Warning, Headway Monitoring, and Forward Collision Warning, help prevent accidents and enhance road safety. By reducing risks on the road, these systems ensure the secure transportation of goods, improve driver performance for reliable and timely deliveries, and optimize driving patterns for greater operational efficiency. Through innovative technology and a commitment to safety, SSRC Logistics continues to set new standards in transportation excellence.

24x7 Control Room

SSRC Logistics operates a 24x7 Control Room, equipped with a dedicated team that monitors and manages vehicle operations around the clock. Through advanced GPS tracking systems, our control tower ensures real-time monitoring of all vehicles, maintaining constant communication with drivers to ensure the safety and security of goods and cargo. In addition, the control tower generates regular location reports, driver behavior reports, and temperature reports, providing comprehensive data to enhance operational efficiency and ensure timely and secure deliveries. This round-the-clock oversight reflects our commitment

In-House Maintenance

At SSRC Logistics, we prioritize fleet reliability and safety through rigorous maintenance practices. With two state-of-the-art inhouse garages across India and skilled technicians, we ensure our trucks are in top condition. For external servicing, we partner with authorized service centers, using only genuine parts and approved procedures. Our dedicated maintenance team performs regular inspections, preventive upkeep, and emergency repairs. Committed to sustainability, we continually upgrade our fleet, replacing older vehicles to meet environmental standards and reduce pollution.

Truck Driver Wellbeing

At **SSRC Logistics**, we deeply value our truck drivers and recognize their crucial role in our success. To show our appreciation, we celebrate their birthdays and make sure they feel respected and valued as integral members of the SSRC family. Additionally, we provide recreational centers to help our drivers de-stress and unwind, promoting their well-being and work-life balance. These initiatives reflect our commitment to creating a supportive and rewarding environment for our drivers, ensuring they feel both recognized and cared for.

Road Safety Training

Sustainablity Logistics

At **SSRC Logistics**, we prioritize sustainability by incorporating **CNG** and LNG trucks into our fleet, reducing emissions and minimizing our carbon footprint. This eco-friendly approach benefits our customers through greener operations, cost efficiency, and a stronger corporate responsibility image. By choosing SSRC, you partner with a logistics / provider committed to a sustainable future.

Health Check-ups and Camps

At **SSRC Logistics**, we are committed to the well-being of our employees and truck drivers. To ensure their health and safety, we organize **regular health check-ups** and specialized awareness programs, providing essential support and knowledge. We also host **annual blood donation camps** and conduct various health initiatives, including eye check-up camps, specifically for our drivers. These employee welfare programs reflect our dedication to fostering a healthy, informed, and supportive environment for everyone in the SSRC Logistics family

At **SSRC Logistics**, safety is our priority. Our drivers and staff are trained by **IRTE** in safe driving, vehicle maintenance, and emergency response, with regular safety workshops to reinforce best practices. We maintain the highest road safety standards, using AI-powered monitoring and well-maintained vehicles to ensure our drivers are skilled, responsible, and road-ready.
